**LETTER TO THE EXAMINER** Technology Center 2600

SIR:

We enclose a copy, for your reference, of the Declaration as filed in the parent application Serial No. 08/518,110 and further filed as a copy in the present application. Pursuant to 37 C.F.R. §1.63(d) a newly executed oath or declaration is not required under §1.51(b)(2) or §1.53(f) in a continuation or divisional application.

It is unclear to applicant why the Declaration was acceptable in the parent application and is now deemed unacceptable in this divisional application. This Declaration clearly "x" out the "No" under the "Priority Claimed" leaving "Yes." Applicant requests an explanation as to why it is considered priority is not being claimed in this copy of the same document supplied in the parent application where it was deemed priority was claimed.

Pursuant to 37 C.F.R. §1.63(d) it is not believed that a further declaration is required. If for any reason it is deemed that a declaration is required, it is requested that applicant's attorney be contacted at (212) 940-8703.

Respectfully submitted,
